Unique moments
Unique moments

Yes, life is in the little things. In those fleeting, unique and unrepeatable moments. They happen right there, at home, at work, in a hotel or in a restaurant; in all those settings where you create your personal collage of little stories. Enjoying each and every one of those scenes, on your terms, is what authentic “intense living” is all about. At RS Barcelona it gives us a real buzz to create products that accompany you in your everyday experiences, that form part of those moments which may fly by but which stay with you forever.

B-Around —
No two workdays are the same.
No two projects are the same.
Likewise for meetings. Not even

same. You make yours unique.

Ombra stool — p. 67
On the Road —

It says that any corner will do; it doesn't want to be the centre of attention. That's what the On the Road bench is like. Being yourself is all you need to feel free.
UNIQUE MOMENTS

Plec table — p. 68
**Plec**

A table that takes the shape of a 5-minute coffee break; of a few pages of the book you’re reading; of an informal meeting on the terrace. What shape can you see in it?
By Yourshelf —
You enjoy creating your own stories, questioning stereotypes, rejecting the status quo. By Yourshelf is the shelf you build to your taste, module by module.
**Eiffel**

A stool inspired by Paris, designed in Tokyo and produced in Barcelona. Its next destination is up to you.
Wall Champions —
You can hang your jacket on it but its main job is to welcome you or see you off with a smile.

Wall Champions hanger — p. 70
**RS#4fun**

As the little ones grow up, the fun won't get left behind. When you need it to, RS#4fun will shoot up as well.

The RS#4fun has three different leg settings to adapt to the players' height.
Wood Champions and RS#4Fun come with stickers to customise your players.
Mon Oncle barbecue — p. 71
Mon Oncle —
An all-in-one portable barbecue and vintage suitcase in which to store truly delicious moments.
Let’s do something unique

Each product is the sum of unique moments. The fledgling idea. The first sketches. The countless test designs on paper. The magical encounter between industry and artisanship. Attention to detail. And, to make it even more special, we can fully customise it for you. If you can imagine it, we can do it.
